

CONSTRUCTION WORKS NOTIFICATION – EAST WEST INTERCONNECTOR – FINGAL

27th of January 2012

As promised, we are writing to you to advise you of road works to install the East West Interconnector that will be taking place in the Fingal area.

The Interconnector cables will come ashore at Rush North Beach, Co. Dublin, and then continue underground to Woodland in Co. Meath.

EirGrid has liaised with Fingal County Council to ensure traffic disruption is kept to a minimum.

Area:	<ol style="list-style-type: none">1. L1055, Cottrelstown to Nutstown2. R129
Times:	7am to 7pm
Expected duration	On site 5-6 days each week.
Description	<ol style="list-style-type: none">1. Full road closure from Cottrelstown to Nutstown to install cables and reinstatement and a Single lane closure locally, on the Nutstown to Ballymadun road.2. Single lane closure between Ballyboughal and Blake's Cross (R135) and a Single lane closure between Ballyboughal and Browne's Cross.
Project Hotline	1890 36 46 56 To receive text updates on works in the Fingal area in general, text Fingal to 51500.

The main contract for the Interconnector was awarded to **ABB**, who have sub-contracted the cable installation work to **VolkerInfra**, a company that has significant expertise in the installation of cables in the UK. **GMC** will undertake the ducting work in the Fingal area.

We are working closely with Fingal County Council to complete this work with as little disruption as possible although we do appreciate that any project of this scale will impact day to day life in the area.

If you have any queries in relation to the works or any aspect of the project please do not hesitate to contact us.
